INT. POLICE INTERROGATION ROOM - DAY

Black and white SECURITY CAM FOOTAGE of a woman, GINA CAMPBELL (30's), sitting in a police interrogation room across from a DETECTIVE and another UNIFORMED OFFICER.

Gina sits nervously in the sparse room with her hands on the table and her head down. We're in mid-conversation as the Detective grills her. \*

*NOTE: The AUDIO is not very clear, so it is accompanied by subtitles at the bottom of the screen to help clarify.*

DETECTIVE

You're his sister, Gina. You probably know him better than anybody. Do you think he would be capable of something like that?

Gina, her head still down, lets out a sigh.

GINA CAMPBELL

I told you. Carl never wanted any publicity. He didn't care about any of that.

DETECTIVE

Could it be that he just wanted people to believe his story about what happened to him when he was a kid?

GINA

You saw the video. Do you think that was a hoax?

DETECTIVE

I'm asking what you think.

GINA

No. Carl wouldn't do that.

DETECTIVE

Wouldn't or couldn't.

GINA

Both.

DETECTIVE

You said you were out there for three days, but Carl's phone records show he made a call from that location a couple weeks before, on the 15th.

GINA  
Of September?

DETECTIVE  
Yes. Can you explain that?

GINA  
I don't know. Carl goes out their  
to hunt from time to time.

DETECTIVE  
Marcus told us that Carl he was on  
a scout.

GINA  
Sounds right. He wanted to set it  
all up for filming. I just know  
when I spoke with him they were  
already back at the house.

DETECTIVE  
Do you know if Carl was out there  
before that?

GINA  
Before the 15th?

DETECTIVE  
Yes.

GINA  
Last time I know of was back in  
July. We had to buy a new water  
pump for the well. I found a good  
deal on Craigslist. He picked it up  
and put it in.

DETECTIVE  
And that's the only time you know  
about prior to the 15th?

Gina pauses, thinking.

GINA  
Yes.

DETECTIVE  
And the last time you saw Carl was  
the night of October 22nd?

GINA  
(growing weary)  
Yes. Like I said. We were out there  
for his birthday.

DETECTIVE

You're absolutely sure?

GINA

Yes. One minute he was there. The next minute, he...was gone.
